

### 7.1.3

#### **Environmental activities undertaken by the college beyond campus:**

Pramathesh Barua College fraternity believes that their work should not be limited to the campus. As such the college undertakes regular activities in and around the campus to spread a message of cleanliness and inculcate a culture of not littering. The college has undertaken the following environmental activities beyond the campus.

##### **1. Programme: Cleanliness Drive In and Outside the College Campus**

Date : 02.10.2019

Organized by: NCC Unit of P.B.College

NCC Cadets of the college are cleaning the classroom on 02.10.2019

The NCC Cadets of the college organized a cleanliness drive encompassing both the college premises and nearby areas. Inspired by Gandhi's principles of cleanliness and community service, the initiative aimed to promote hygiene and cleanliness. Although there were no photos of the road cleaning in front of the college, the students diligently cleaned the college interiors and extended their efforts to sweep the parking shed outside. They focused on educating others about maintaining cleanliness by collecting plastic wrappers of chocolates, gutka, and cigarette packets, emphasizing the importance of not using tobacco in public spaces and disposing of waste responsibly. The primary goal of the drive was to raise awareness about maintaining a

clean environment and encouraging the use of bins for proper waste disposal, ensuring the locality remains clean and pleasant.

2. Date : 26.02. 2020

Programme: **Save Energy and Save Environment under Swachh Bharat**

Collaborator Unit: Petroleum Conservation and Research Association under the Ministry of Natural Gas, Government of India

Organized by: P.B.College

Participant students are receiving their certificate for participating in speech competition on 'How to Save Energy' held in Awareness Programme on Save Energy & Save Environment on 26.02.2020

The ECO club of P.B.CollegeGauripur organized an awareness program on "Save Energy and Save Environment" at P.B. College on February 26, 2020, in collaboration with the Petroleum Conservation and Research Association under the Ministry of Natural Gas, Government of India. The invited resource person emphasized the importance of conserving energy and protecting the environment. The program was interactive, with students participating in a talk titled "How to Save Energy," for which they received certificates. Both students and faculty members Dr. Gopal Ch. Barman, Coordinator, IQAC, Dr. Aminur Islam Sk. Convener, Ecco Club, M.R.Jodder, Principal, i/c, Parvin Sultana, Assitant Professor, Dept. of Political Science, Pranab Barman, Assistant Professor, Dept. of Management and YesminaraHussain, Assitant Professor, Department of Political Science attended the program.

The program aimed to raise awareness among students about energy conservation and environmental preservation. It encouraged students to share this knowledge with their community, urging them to discuss what they learned with their families and neighbours. This initiative sought to empower students as ambassadors for spreading awareness and promoting sustainable practices beyond the college environment.

3. Date : 05.06. 2020

Programme: **Plantation outside the campus**

Collaborator Unit: 48 Bn CRPF Dhubri

Organized by: NCC Unit and ECO Club, P.B.College

A.H. Talukdar, Principal i/c along with

A.IslamSk (Convener, Eco Club) &

T.I. Mollah (ANO, NCC Unit) on 5.6.2020

On June 5, 2020, the 48 Bn CRPF organized International Environment Day in collaboration with Eco Club and NCC unit of the college adhering strictly to COVID-19 protocols. The event aimed to raise awareness about environmental issues and promote sustainable practices. Despite the pandemic, participants engaged responsibly, demonstrating a commitment to environmental stewardship while prioritizing health and safety. The Chief of 48 BN CRPF Assam highlighted how planting trees contributes to environmental sustainability, improves air quality and mitigates climate change effect. Aminur Islam Sk. Convener, Eco Club, shared insights into the Eco Club's initiative to promote tree planting as part of their commitment and community

engagement. Taybul Islam Mollah, ANO, NCC Unit of the college and officers from CRPF attended the programme and their speeches underscored the collective effort towards fostering a greener and healthier environment amidst the challenges posed by the COVID-19 Pandemic.

4. Date : 11.01.2021

Programme: **Cleanliness Drive Under Swachh BharatAbhiyan**

Organized by: Eco Club & NCC Unit, P.B. College

On August 14, 2021, the Eco Club of the college, in collaboration with the NCC unit, organized the Fit India Freedom Run 2.0. The event featured a cleanliness drive aimed at raising awareness about maintaining cleanliness in the local community. Students and NCC Cadets participated enthusiastically in cleaning the college campus and nearby public areas, including the children's park in Gauripur town. During the cleanup, it became evident that the banks of the park's pond were littered with plastic wrappers and packets. The students diligently collected these items, consolidating them for easy disposal by the town committee's sweepers during their early morning rounds. The initiative sought to promote cleanliness and instil a sense of responsibility towards public spaces among the community members.

5. Date : 02.10.2021

Programme: **Plogging and Peace Rally Under Swachh BharatAbhiyan**

Organized by: Eco Club & NSS Unit, P.B.College

Teachers held the banner of  
the programme on 2.10.2021

Students participated in the programme  
on 2.10.2021

The Eco Club and NSS Unit of the college collaborated to organize a day-long program aimed at promoting cleanliness and environmental consciousness in celebration of India's 75th Independence Day (AzadiKaAmritMahotsav). The event included a widespread cleanliness drive that extended to neighbouring areas, emphasizing the importance of maintaining a clean environment. Participants engaged in plogging activities and a peace rally, highlighting the dual themes of environmental sustainability and national unity. This initiative underscored a commitment to celebrating the spirit of community involvement while fostering awareness about the significance of cleanliness and environmental stewardship. Participants not only cleaned up their surroundings but also raised awareness about the importance of keeping public spaces clean and reducing environmental impact. Simultaneously, the Peace Rally underscored the values of unity and harmony, echoing the spirit of India's struggle for freedom and its journey towards progress and inclusivity over the past 75 years. Participants likely marched together, displaying messages of peace and solidarity, fostering a sense of community and shared responsibility.

6. Date : 05.06.2022

Programme: **Plantation Under Swacha Bharat Mission**

Collaborator : KKHSO University P.B.College Study Centre

Organized by: Eco Club, P.B.College

Dr. A.T.Mollah, Coordinator, KKHSOU P.B.College Study Centre with Dr. A.I.Sk ,Convener , Eco Club

On June 5, 2022, the Eco Club of P.B. College organized a plantation program aimed at promoting environmental conservation. As part of this initiative, saplings of various trees were distributed to students and learners of KKHSOU at the college's study centre. The objective was to foster mass awareness about maintaining a clean and green Earth. Participants, including learners from KKHSOU, received saplings to plant in their local neighbourhoods, successfully extending the plantation program for community benefit. A photo captured a moment where one of the female learners from KKHSOU's study centre received a sapling from the Eco Club convener, symbolizing the program's goal to encourage environmental stewardship and cultivate a greener planet.

7. Date : 05.06.2022

**Programme: Art Competition among School Students to Create Awareness on Swachh Bharat and Green Planet**

Organized by: Eco Club, P.B.College

Students participating in the Art competition

On June 5, 2022, the ECO Club of the college hosted an art competition aimed at fostering community engagement and environmental awareness. The event welcomed artist participants from the local neighborhood and Dhubri. Students from various schools in Gauripur and surrounding areas, as well as Dhubri, participated across three categories: Group A (grades 1-3), Group B (grades 4-7), and Group C (grade 8 onwards). Participating schools included SankardevShishuNiketanGauripur, Synod English Mission School Gauripur, Stephen School Gauripur, Happy Convent School Gauripur, SP English Medium School Dhubri, and Gauripur Girls High School. The competition, organized by Aminur Islam Sk. with support from faculty members DigantaBiswas, Amitabh RanjanKanu, Hasib Md. Iqbal, Digambar Ch. Nath, and M.H. Sarkar, aimed to raise awareness about environmental conservation and the importance of maintaining a clean and green Earth. The art competition aimed to educate young children about cleanliness, environmental conservation, and the importance of a green Earth. It encouraged participants to understand the significance of trees, rivers, mountains, and all aspects of nature in creating a safe and sustainable environment. The competition sought to instill awareness from a young age, ensuring that children recognize the value of preserving our natural resources for a better quality of life.

8. Date : 22.07.2022

Programme: **Plantation UnderSwacha Bharat Mission**

Organized by: Eco Club, P.B. College

The Eco Club of the college orchestrated a plantation program at PratimaPandey Park in Matiabough on July 22, 2022, with the goal of enriching greenery and fostering environmental awareness within the local community. The initiative garnered active participation from nearby residents, significantly contributing to its success and environmental impact. A notable photo captured an elderly participant from the neighbouring community actively engaged in planting, symbolizing the transmission of values for a green and clean planet to future generations. This event underscored the community's commitment to environmental stewardship and sustainable practices.

9. Date : 31.03.2023

Programme: **7 days NSS Camp (To Create awareness on Swachh Bharat, AIDs, Gender Issues etc.)**

Collaborator :Unnat Bharat Abhiyan (UBA) Scheme

Organized by: NSS Unit, P.B.College

The NSS Unit of the college, in collaboration with UBA (Unnat Bharat Abhiyan), organized a 7-day NSS camp aimed at addressing youth not in formal education. The camp took place from March 25, 2023, to March 31, 2023. During this period, the NSS Unit visited schools and villages to survey the number of youth not enrolled in formal education. This initiative aligns with the national program by the Ministry of Youth Affairs and Sports, Government of India, targeting youth aged 15 to 29 years who are deprived of formal education and regular employment. The 7-day NSS camp, under the leadership of Dr. Shambhu Pandey, focused on visiting selected villages and engaging with villagers of all age groups. The camp included small group meetings addressing various topics such as cleanliness, hygiene, AIDS awareness, and gender-related issues. The objective was to interact with the community, raise awareness, and facilitate discussions that promote social awareness and responsibility among villagers.

10. Date : 05.06. 2023

Programme: **Cleanliness Drive (Under Swachh Bharat Abhiyan)**

Collaborator: Srimanta Sankardev M.E. School, Charakbari Gauripur

Organized by: NCC and NCC Unit, P.B. College

NCC Cadets and NSS Unit Members along with faculty members are cleaning the campus of SrimantaSankardev M.E School, Charakbari ,Gauripur on 06.06.2023

On June 6, 2023, the NSS (National Service Scheme) and NCC (National Cadet Corps) units of P.B. College, Gauripur, organized a cleanliness program with students participating actively. The initiative involved cleaning not only the college campus but also extending efforts to SrimantaSankardev ME School in Charakbari, Gauripur. Students enthusiastically engaged in cleaning activities, ensuring both environments were tidied and maintained. This initiative not only promoted cleanliness but also fostered a sense of civic responsibility among the participants. It underscored the importance of community service and environmental stewardship within the educational institution's framework. The convener of NSS, Dr.SambhuPandey, and the ANO (Associate NCC Officer) of the NCC unit, Dr.Taybul Islam Mollah, led by example by joining the cleanliness drive alongside other dedicated faculty members. Their participation not only demonstrated leadership but also encouraged a collaborative effort in maintaining cleanliness both within the college campus and at Sri Manta Sankardev ME School in Charakbari, Ward no III, Gauripur. Their involvement highlighted the importance of community service and active participation in such initiatives, setting a positive example for students and fostering a sense of responsibility towards the environment and community.
