MESSAGE FROM COORDINATOR, IQAC

It is with immense pleasure I present the latest edition of the IQAC Newsletter PRAYAS. IQAC of Pramathesh Barua College, Gauripur harnesses synergies from all available resources as well as ensures delivery of quality education to the students and simultaneously supports the professional growth of the teaching and non-teaching staff. The IQAC tries to assure the stakeholders

i.e., students, members of faculty, office and administrative staffs, different funding agencies and society in general, that we are committed towards the transparent quality management system of the institute. The IQAC has been diligently working on various initiatives to ensure that our college remains at the forefront of educational innovation and quality assurance. I convey my appreciation to the College fraternity, students of Pramathesh Barua College, Governing Body, Alumni Association and all stakeholders for their valuable inputs to help us in every possible way.

PRAYAS (The IQAC Newsletter) is a testament to the collective efforts of our dedicated faculty, staff and students it would not have been possible without their constant motivation and valuable insights. One of our primary focuses has been the preparation for the 3rd cycle of NAAC accreditation. I am grateful for the dedication and hard work of our faculty, staff, and students in this regard. I would like to extend my heartfelt thanks to everyone who has contributed to our quality assurance processes. Your support and dedication are the pillars upon which our success rests. Together, we will continue to strive for excellence and make Pramathesh Barua College a beacon of quality education.

Dr. Gopal Ch. Barman
Coordinator, IQAC

EDITORIAL

As a remarkable leap, we can count this session for opening of Shibani Barua Indoor Sports Complex at Matiabag. The indoor stadium of the college is unique of its own kind and this indoor stadium believed to help students to explore their sportsmanship. Its role is not only essential for fulfilling college sports education and hosting sports events, but also for providing social services to promote the development of mass sports activities. This stadium is believed to provide students a scope to nurture their inner talents in the field of co-curricular activities and to help them to learn sports -as learning is something that cannot be taken away.
