PRAMATHESH BARUA COLLEGE, GAURIPUR
প্রমথেশ বৰুৱা মহাবিদ্যালয়, গৌৰীপুৰ

VISION

The vision of Pramathesh Barua College emanates from the needs of its immediate surrounding and from the needs of the region. Situated in the economically underprivileged border regions of lower Assam, the College holds as its central purpose to engage the students' community in scholarship, leadership, and economically relevant education for the overall development of the social and economic conditions and cultural welfare of the people of the region.

MISSION

Pramathesh Barua College is quintessentially conceived as an avant-garde premier institution of Higher Education to affirm responsiveness to social accountability in the face of a dynamic and competitive world. Its mission include:

- ⇒ To provide 'inclusive education' to reach the marginalised;
- ⇒ To weave a symbiotic academic culture of the indigenous and the global;
- ⇒ To expand development skills and generate employability;
- ⇒ To collaborate with stakeholders to make 'quality' the defining element of its 'relevance' and 'functionality';
- ⇒ To nurture the spirit of democracy, peace, and progress in society; and
- ⇒ To inculcate a rational and progressive outlook amongst the students.

Message from Principal

My Dear Students and Guardians,

Nelson Mandela once very famously said 'Education is the most powerful weapon that one can use to change the world.' Pramathesh Barua College, Gauripur has been striving to bring about a positive transformation in each and every student through academic programmes and co-curricular activities so that they can make substantial contribution to the health of society and economy of the country. With its rich legacy, the college has been shouldering the responsibility of catering to the educational needs of a large population of a socio-economically backward area.

Considering the importance of ICT based teaching-learning environment, we have initiated the process of converting traditional classrooms to ICT based classrooms. We have also given importance to computer literacy and soft-skill development of the students and for the same a State of the Art Language Laboratory, a Software Platform to improve effective communication and a Computer Lab with modern facilities have been installed. Besides, our institution provides opportunity to the students for participation in Finishing School Programme which is given to the final year UG students for their soft skill development.

Pramathesh Barua College provides a lively space for a healthy interface between the widening spheres of higher education and the socio- intellectual responsibility by encouraging students' continuous engagement in education, research and training of the youths on folksong, performing art, culture, translation studies and literature of this region.

Although life itself provides ample opportunity of education, at Pramathesh Barua College we facilitate the initial process of acquaintance with the multidimensional nature of available resources, so that students are able to negotiate with the employment challenges in this digital era. As Principal of the college, I welcome you to the P B College family and hope that your association with the college would be fruitful and would help us share the common dream of promoting peace and prosperity of both individuals and society.

PRAMATHESH BARUA COLLEGE : A PROFILE

Pramathesh Barua College (P. B. College), Gauripur began its tryst with destiny on the 1st day of June 1964 to put forward the intellectual and cultural ethos of Gauripur in the erstwhile Goalpara District of lower Assam. Christened after the proud son of Gauripur, Rajkumar Pramathesh Chandra Barua, this institution of Higher Education took its strides with luminaries like Prof. Alokesh Barua, Dr. Birendranath Dutta and galloped to prosperity under academic administrators of repute such as Dr. Krishna Kanta Bora, Prof.

Jayanta Kumar Chakraborty and Prof. Ganga Sankar Pandey. The College cherishes the proud distinction of producing many reputed academicians, administrators, social activists and successful businessmen who have variously contributed to nation building.

Initially started with the support of the people of the region and financial assistance from the Zamindar family of Gauripur, this co-educational institution of higher education was subsequently taken over by the Govt. of Assam under deficit grant-in-aid system in 1969. It got permanent affiliation by the Gauhati University and was recognized under section 2 (f) and 12 (B) of the UGC Act 1956.

The College imparts teaching in Higher Secondary (+2 level) and Degree (+3 level) in two streams — Arts and Commerce. To face the emerging challenges in trade and commerce, the College started the Commerce Stream in 1979, which was first of its kind in Dhubri district. At present the college has sixteen teaching departments with a healthy 1.25 teacher learner ratio. Moreover, we are going to start some new courses such as BBA, BCA, PGDCA and PG in Assamese from the current academic session. The academic excellence of this institution was reckoned by NAAC in 2004 (Grade S') and further boosted its ranking with Grade 'B' (CGPA: 2.42) in 2015.

Although more than 60% of its students come from economically unprivileged section and from a multi-racial and multi-lingual catchment area sharing international borders with Bangladesh, this College has been able to earn accolades for its untiring pursuit for the intellectual and personal development of its students. Students are also mentored to counter the socio-cultural deficit and ensure their holistic development. Not with standing nagging hurdles like lack of infrastructure, basic amenities, paucity of funds and sound academic freedom, this institution has been able to make an identity of its own by sensitizing itself to new modes of teaching learning experience, continuous academic progress, and greater community participation.

Pramathesh Barua College is committed to institutionalize the culture of quality and ensure academic accountability while pursuing its continued journey for excellence.
